organic
and agricultural
production chain

WheatTourism:
open doors
and transparency

100% Italian wheat,
of which 70% from
the Marche region

Plants powered
by renewable
energy

Side-by-side mill
and pasta factory

Vision

DIGNITY TO THE LAND!

“Eating is about so much more than preparing and cooking food: it is about giving, spirituality, friendship, brotherhood, beauty, warmth, colour, experience, fragrance, simplicity and of course, company”

Gino Girolomoni, *Maccheroni acqua e farina*, Jaka Book, 2007
